Athletic Parent Transportation

I hope you and your families are doing well and staying safe. As always the River Dell School District will be providing athletic busing to away contests during the fall, winter and spring athletic seasons. However, again this year we are allowing families at all levels (Middle School, Freshmen, JV and Varsity) in each sport the opportunity to provide their own transportation to away contests as long as the family completes and submits the "Athletic Alternate Transportation Form" which is attached and will also be available on the Athletics Department section of the school website. This form must be completed and emailed to me Denis Nelson, Athletic Director at denis.nelson@riverdell.org 24 hours in advance of the contest.

Under no circumstances will a student-athlete, including those 18 years of age or older be permitted to transport themselves or any other student-athletes to away athletic contests.

Our highest priority is for the safety of our River Dell student-athletes. Thanks in advance for your anticipated cooperation and understanding. If you have any questions on the information above or the form below please do not hesitate to contact me.

Request for Alternate Athletic Transportation

I request permission for my son/daughter, _____
(student name)

to be transported by _____
(must be an adult or family member, relationship to student)

to and from _____
(sport and place athletic event is occurring)

scheduled on _____
(date and time of athletic event)

Address of driver _____

Phone number of driver _____

Driver's license number _____

Make, model, year of car _____

Insurance coverage and name of carrier _____

I understand that River Dell High School provides transportation for athletic events but there are special circumstances that necessitate this request. A parent's email request for their child to be transported by them or another family member or the parent of another student-athlete must also be accompanied a request from the driver if not the parent and by this form from all parties. This request and form must be completed and emailed to me Denis Nelson, Athletic Director at denis.nelson@riverdell.org 24 hours in advance of the contest.

Under no circumstances will a student-athlete, including those 18 years of age or older be permitted to transport themselves or any other student-athletes to away athletic contests. Due to passenger limitations and bus and driver availability issues we may need some parents to help provide transportation of our teams to some away contests.

This document will release the River Dell School District from any and all liability which may occur as result of my child not traveling on district provided transportation to and from the event. Thus, I hereby release the River Dell School District and its employees and officers from any and all liability with reference to the above stated transportation arrangements.
